

Jeff Grainger Songlist

Sinatra favorites:

Strangers in the Night

That's Life

It was a very good year

My Way

Luck be a Lady

Anything Goes

My Kind of Town

New York, NY

It had to be you

Summer Wind

I thought about You

That Old Black Magic

I won't Dance

You make me feel so young

All or nothing at all

On a clear Day

Too Marvelous for words

In the wee small hours of the morning

The way you look tonight

You'd be so nice to come home to

We'll be together again

The last dance

I've got you under my skin

Pennies from Heaven

Girl from Ipanema

Love and Marriage

Love is here to Stay

Downtown

My baby just cares for me

It happened in Monterey

Fly me to the moon

Forget Domani

I love Paris

Call Me

More

One more for the road

At long last love

Angel eyes

Almost like being in love

Moonlight serenade

Meditation

Makin Whoopee
I'm gonna live til I die
I only have eyes for you
I concentrate on you
Triste
I could write a book
I get a kick out of you
How about you
Forget Domani
For once in my life
A foggy day
Embraceable you
Drinking again
Come rain or shine
Day by day
Come dance with me
Cheek to cheek
Change partners
Chicago
Call me irresponsible
Can I steal a little love
South of the border
Blue moon
All of me
All or nothing at all
All my tomorrows
Brazil
Dancing in the dark
I've got a crush on you
Let's fall in love
My funny valentine
Nice n' easy
Night and Day
Swingin down the lane
Old devil moon
Paper moon
Pick yourself up
Please be kind
Pennies from heaven
Ring a ding ding
Saturday night
September in the rain
Something Stupid
Swinging on a star
The best is yet to come

The lady is a tramp
The last dance
The tender trap
They can't take that away from me
They all laughed
Wave
We'll be together again
Watch what happens
When you're smiling
Witchcraft
Where or when
Without a song
You and the night and the music
You brought a new kind of love to me
You're getting to be a habit with me
Young at heart
Quiet nights of quiet stars
Let me try again
All the way
A day in the life
On the sunny side of the street
We'll meet again

I'll always love you
I've got my love to keep me warm
Just in time
Kiss me
Object of my affection
On an evening Roma
On the street where you live
Please don't talk about me
Somewhere there's a someone
The Naughty lady of shady lane
True love
Who was that lady
Baby it's cold outside
The birds and the bees
King of the road
My one and only love

Open up the door and let the good times in
Welcome to my world
I wish you love
I will
